

LMPA Vision

That LMPA Children's Services will be highly regarded and sought after by families and community.

LMPA Mission

LMPA will ensure its services are the best by:

- Supporting its children's services to be rated as excellent by external assessors
- Ensuring a high level of community consultation through clear processes, sharing and evolving our vision for children together
- Providing a high level of peer support between educators
- Promoting a culture of continuous learning, reflection, review and improvement.

LMPA Core Values

- Quality education and care for all children
- Parent, family and community engagement
- An environment of continuous learning and improvement

LMPA Core Purpose

To foster a healthy and active early childhood community working together to provide quality education and care for young children.
