- maintaining confidentiality in relation to all information provided on enrolment forms

2. SCOPE

This policy applies to the Approved Provider- Shine Bright EYM, Nominated Supervisor, Certified Supervisor, educators, staff and parents/guardians who wish to enrol or have already enrolled their child at an Shine Bright EYM children's service.

3. BACKGROUND AND LEGISLATION

Background

The *Education and Care Services National Regulations 2011* require approved services to have a policy and procedures in place in relation to enrolment and orientation (Regulation 168(2)(k)).

It is intended that all eligible children (refer to *Definitions*) will have access to one year of kindergarten before commencing school. However, a shortage of places in some areas can limit choices for parents/guardians. Where demand is higher than availability, a priority system for access must be determined by the Approved Provider- Shine Bright EYM in order to allocate the available places. The criteria used to determine the allocation of places will vary from service to service, but is generally based on a service's philosophy, values and beliefs, and the provisions of the *Equal Opportunity Act 2012*. The Victorian Government requires funded organisations to ensure that their policies and procedures promote equal opportunity for all children. Criteria for access and inclusion are outlined in *The Kindergarten Guide* (refer to *Sources*). Services participating in central enrolment schemes are required to comply with the enrolment procedures of that scheme.

Childcare services providing approved care (refer to *Definitions*) must abide by the *Family Assistance Legislation Amendment (Child Care Rebate) Act 2011* (refer to *Legislation and standards*) and the Commonwealth Government's *Priority for allocating places in child care services* (refer to *Sources*).

Eligibility and priority of access criteria for the funded kindergarten program

The following children are eligible for attendance in the funded kindergarten program:

- children who have been granted approval to receive funding for a second year of kindergarten in accordance with *The Kindergarten Guide* available at:
<http://www.education.vic.gov.au/childhood/providers/funding/Pages/default.aspx>
- children who were eligible to attend in the previous year, but:
 - deferred
 - withdrew from the service prior to the April data collection and have completed the *Kindergarten withdrawal and deferment form* (available from the service)
- children who turn four years of age by 30 April in the year they will attend kindergarten
- children turning six years of age at kindergarten who have been granted an exemption from school-entry age requirements by the regional office of DET (refer to *The Kindergarten Guide*, available at: <http://www.education.vic.gov.au/childhood/providers/funding/Pages/default.aspx>)
- children who are younger than the eligible age, but whose parents/guardians have submitted an early age entry request for their child to attend school the following year. This written request is to be directed to the regional office of DET, or the non-government school the child will be attending. A copy of the approval must be attached to the kindergarten application. Parents/guardians should note that very few requests are approved by DET. If the child attends kindergarten early, but does not proceed to school in the following year, they will be unable to access a second year of kindergarten unless they are deemed eligible by DET for having recognised developmental needs
- three-year-old Aboriginal and Torres Strait Islander children, and children known to Child Protection may be eligible for the Early Start Kindergarten program. This scheme provides funding to enable children to attend a kindergarten program that is planned and delivered by an early childhood teacher for a specific number of hours. Details are available at:
<http://www.education.vic.gov.au/about/programs/learningdev/pages/earlystartkinder.aspx>

When demand exceeds availability, the Approved Provider- Shine Bright EYM will refer to the service's values, philosophy and *Inclusion and Equity Policy* to determine the priority of access. This will include:

- children who have received funding for a second year of kindergarten
- children who were eligible to attend in the previous year but deferred or withdrew from the service prior to the April data collection.

Other considerations may include date of application, siblings already enrolled at the service, attendance in the three-year-old program.

If participating in a central enrolment scheme, the priority of access for that scheme will be implemented. Childcare services providing approved care (refer to *Definitions*) must abide by the *Family Assistance Legislation Amendment (Child Care Rebate) Act 2011* (refer to *Legislation and standards*) and the Commonwealth Government's *Priority for allocating places in child care services* (refer to *Sources*).

1. Eligibility and access criteria for three-year-old children

Children are eligible for attendance in the three-year-old program provided they have turned three prior to commencement.

Children will only be able to attend a second year of three-year-old kindergarten in exceptional circumstances (after consideration by the Approved Provider- Shine Bright EYM) or when all eligible children on the waiting list have been offered a place.

The Approved Provider- Shine Bright EYM must determine eligibility and access criteria applicable to the service. Considerations may include:

- children recommended by an educator for an additional year in the three-year-old program
