Kindergarten Enrolment Application

A parent or guardian who has authority in relation to the child must complete this form.

Powers and Responsibilities Authority Explanation All parents have powers and responsibilities in relation to their children that can only be changed by a court order. The Education & Care Services National Regulations refer to these powers and responsibilities as "a person with authority". It is not affected by the relationship between the parents, such as, whether or not they have lived together or are married. A court order, such as under the Family Law Act 1975, may take away the authority of a parent to do something, or may give it to another person.
